Social Media In Agriculture A Free, Hands-On Workshop for Beginning Farmers and Ranchers

Let us help you build a social media portfolio tailored to your agricultural business' needs!

Whether you want to help more consumers find your products or hope to improve people's awareness and appreciation of agriculture, we are here to help.

- Leave with in-depth knowledge of multiple tools and tips on how to manage them all.
- Computers provided, but feel free to bring your own laptops or devices.

Space is limited, Register Online Today. www.beyondthefarmgate.org

Friday, November 8, 2013 ~ 8 a.m. to 4 p.m. McDowell Administration Building, Room 339 2008 University Drive Commerce, Texas

Lunch will be provided.

To register, please complete the electronic registration form at beyondthefarmgate.org
